

Give them something  
to look forward to

**Vuyiswa Vena**

"We all need to enjoy ourselves once in a while. It has been a very hard year."

**Lukas Dubisiko**

"I have not eaten in a restaurant for such a long time. That would be really exciting."

**Eunice Mtlaka**

"It is not nice to sit on one place all the time. It would be nice to get some new air away from Khayelitsha."

Dear valued NOAH supporter,

Will you help us raise funds to reward 23 of our most active Khayelitsha members? Despite their difficult circumstances, these individuals have contributed towards the running of NOAH and the various social enterprises, with enthusiasm, hard work and good humour.

**They have not had an outing for over four years. Some members have never eaten at a restaurant or been treated to something special.**

Life is tough and last year was particularly hard. They are trying their best to fundraise and save towards an outing in the new year, but they need help.

### Could you sponsor one or more members?

Any amount will be valued and appreciated. A special outing will give them something to look forward to and bring much joy. The type of outing will depend on the amount raised through their own efforts, and the generous donations from you, our donors. Details will be shared on social media and in our next newsletter!

Best wishes,  
Anne Dobson, Director
