

# Our Christmas request.

Dear valued NOAH supporter,

Meet Margaret, a resident at our McNulty home for 12 years. She loves to garden, read and listen to music. During the tough lockdown period, she occupied her time by working in the courtyard to ensure her beloved plants thrived.

All McNulty residents are looking forward to a traditional Christmas lunch of gammon, pickled tongue, trimmings and a delicious dessert. This will cost R 120 per person.

## This is why I am writing to you today.

It has been a hard year for everyone and we are so grateful for your ongoing support that has helped NOAH residents cope in these difficult circumstances. But times are tough, the cost of food is high and our residents really need something to look forward to.

## Can you help us make this Christmas meal a reality for all our residents?

Your financial contribution will provide more than just food; it will give our residents hope and a reason to celebrate together! Any amount will help and be greatly appreciated.

Wishing you all a very blessed Christmas and a joyous festive season.  
Stay safe and best wishes,

*Anne*

We are looking forward to Christmas as it is the highlight of the year – especially our Christmas lunch. Staff decorate the dining room and we get to be together, laugh and remember how blessed we are."
