

PLEASE HELP KEEP THE FEEDING SCHEME OPEN ANOTHER MONTH.

Dear valued NOAH supporter,

The generosity of our wonderful donors helped us launch a community feeding scheme in March for our unemployed and hungry Woodstock residents. It has proven invaluable to school children, local families struggling to make ends meet and people living on the street. A cup of nourishing vegetable soup and freshly made sandwich with a protein filling is often their only meal.

To keep going, more funds are needed.

Our goal was to feed 70 people a day but due to the incredible demand this has increased to 200 people every day, five days a week! We don't want to turn people away during these COVID times and winter months. It costs us R15 000 a month to feed these 200 people - food prices have soared and there are operational costs like electricity, gas, water and packaging.

Can you help us raise R15 000 to keep the feeding scheme open for another month please?

Any amount will help and be greatly appreciated.

Best wishes,
Anne Dobson, Director,

Anne

“

The soup kitchen means a lot as I don't have food to eat every day and it really helps me.
